

It is as in beam sûnder apels,
it is as bôle sûnder sjem.
It is as in bouhoek sûnder blokjes,
sa'n skoalplein sûnder bern.

It is as Tomke sûnder Romke,
it is as in leech ferhaal.
It is as in winter sûnder snie,
sa'n keal en leech lokaal.

Mar as it net kin, sa't it moat
dan moat it mar sa't kin.
Laitsje, ha wille en wy hoopje echt
jimme hiel gau wer te sjen.

Groetnis fan:
